## Important Reminders

1. Review your strategy annually - tax rules and personal circumstances change
2. ISA annual allowance is currently GBP 20,000 per person - use it or lose it
3. State Pension must be claimed - contact the Pension Service, it is not automatic
4. Keep records of all withdrawals for your tax return
5. Pension funds on death before 75 can be passed tax-free to beneficiaries
6. Consider seeking professional financial advice for major decisions
